## The Prez Sez

The mountains are a perfect place to get away from the heat. Our trail clearing and camp cleanup at Eagle Meadows had temperatures 25° below Sonora! A huge thank you to everybody who came out and helped. We had Myron, Jan, Lance, Joy, Colleen, Janine, Roy, Ron, David, John, Jackie and me. The trails were in their early

summer splendor with wildflowers everywhere.

The High Ride is going to be here before you know it. We've got 19 members attending this year! Members get a huge discount on the price of the ride—maybe we'll see some new folks next year.

Do what you can to stay cool till this heat wave breaks.

Happy trails!

# Events

The **High Ride** is upon us and everyone is in high gear getting the trails and camp ready for our guests. A crew of 12 people were at Eagle Meadow July 4-7 scouting and clearing trails for 4-8 hours a day. The workers included: John, Linda P., Myron, Roy, Janine, Ron, Lance, Joy, David, Colleen, Jackie, and Jan.

Myron studies a tree blocking the Eagle Peak Pass trail (upper left photo), Joy and David clearing the upper and lower eagle creek trail, (photo at left), Linda tries out a newly opened section of the Long Valley west trail, (far left photo second from bottom). Remainder of photos show the crew clearing the west trail, Long Valley, featuring John, Roy, Myron, Ron, and Lance.

### Herring Creek Ride

The Herring Creek one-day ride, led by Linda Post, was held June 29. The ride was open to the public and 11 riders rode the 8-mile round trip to the reservoir. A couple of the participants were new to the trail and were very happy with the trip. The riding was easy and the weather was perfect.

Progress continues on the barn at center camp. Trestle is in and the roof is framed. A rolling door was added to the container in the barn.
