## Past Events

### Center Camp Closing and Shed Painting Day

Many volunteers showed up on Oct. 26 to prep the close the camp for winter and wrap up the painting of the new storage shed. Special thanks to Ron and John for all their help with the barn and the use of their personal equipment to complete the construction and painting. Lance climbed the ladder to paint the upper trim, Ron and Roy painted the siding, while Colleen and Sheryl painted the side trim. The barn is now ready for it's final inspection. Joy was jack of all trades and jumped in to clear debris and help tarp the shower trailer. The others who helped with the various activities were Kim, Kris, David, Janine, and Dennise.

### Fahey Cabin Day Ride

*By Colleen Combes*

The weather cooperated for the five riders who rode the Fahey Cabin trail. The turning leaves were colorful and no fallen trees blocked the way. Lunch was at Hull creek. At that point in time some noisy OHV enthusiasts roared by. On our way back, what we hoped wouldn't happen came to pass, the same OHV folks came roaring back again. Dennise negotiated with them to let us hog the narrow road until we could put distance between us and the (according to my horse) decidedly scary creatures. They cooperated and all was well. Thank you to Hal, Mary, Dennise and Sheryl for joining us on this lovely fall ride.
