## The Prez Sez

When I was riding just the other day in the high country, I was feeling very blessed and happy for the life I have. We are all so blessed to be where we are. We are living in one of the most beautiful places in California and within hours we can drive up to the high mountains or down to the ocean. We

are blessed to have the freedom and finances to own our beautiful horses who take us deep into the wilderness to see things that most people don't see. We are blessed to have the adventurous spirit to leave the arena and get out on the trails with our horses. We are blessed to have the friends that we have to share our horse adventures with. Few people in the world are fortunate enough to have the blessings that we do. When life gets messy, as it often does, remembering to focus on the amazing blessings that we have always makes things better.

## Past Events

### Drill Team Fun

Saturday June 7th

By Nancy Broce

Nine riders and their horses participated in a fun day at Center Camp of Obliques, Thread the Needle, Sweeps and Partners. Many members are already experienced Drill riders but this time we had two first-timers and a member with a new young horse. They all did great, especially after going through the patterns a couple of times, proving that Drill can be done by anyone and any horse!

## Upcoming Events

### Herring Creek Ride

Join us on **June 28** for a Twain Harte Horsemen's ride that is open to the public. The ride follows a mix of forest roads and trails to Herring Creek and reservoir. It is a moderately easy 3.5 hour ride past the scenic Gargoyles rock formations to a little reservoir that feeds Herring Creek. Lots of wild flowers blooming along the way. Meet at Leland Meadows resort for the ride start at 10:30 am. Leland Meadows turnoff is off 108 just past Strawberry. Cost for parking is \$10.

### Eagle Meadows Pre-ride and Cleanup

It is time to scout trails and clean up Eagle Meadows camp in preparation for our annual High Ride. Join us at Eagle Meadows campground July 3-5 for this important outing. You can come up for one day or camp both nights. Bring your horse if you plan to scout trails. Bring work gear, gloves, clippers, rakes, etc. Pit toilets will need to be cleaned and campsites tidied up. And we have some fun too! Call John Watts with questions or to RSVP: 209.768.2905.
