The Prez Sez

We are eagerly looking forward to our 2026 High Ride event happening in less than a week. We had a small but mighty crew of dedicated Twain Harte Horsemen members who showed up June 26-28 to prepare the Eagle Meadows camp and surrounding trails.

I would like to give a huge shout out to the campground crew which consisted of Roy, Janine, Chris W, Mike S, and Lance. In addition to log clearing, Lance bravely donned rain gear and a face shield to pressure wash the inside of the pit toilets so that the rest of the crew could follow up with a well needed

paint job. Thank you to Roy and Janine for grabbing the necessary paint and supplies and thank you to Chris, Mike, Roy and Janine for taking time to make our pit toilets the envy of the pit toilet world. All joking aside, they look great :)

I would also like to thank the hard-working, salt-of-the-earth, trail clearing crew. Another small but mighty group of men, women, and horses. A big thank you to Ron and his horses Balero, and Mojo for packing chainsaws and gear, John and Keote for leading the way, Linda and Romey, Sandra and Fancy, Lance and Freya, Joy and Gypsy, and Sarge for packing chainsaws and gear. This crew was dedicated and hard working and shared many jobs such as sawing, ponying, removing debris, fixing chainsaws, rolling logs and much more. Within two days this crew cleared approximately 18 miles of trails. This past winter hit our trails hard and after seeing the damage we feel very strongly that there was a large weather event that blew trees in all directions, knocking down dead trees and uprooting many live trees too. A lot of the downfall were very large trees requiring an extra large saw. So far this year there have been approximately 81 trees cleared, both large and small.

Well done Twain Harte Horsemen crews!

Joy LaMons
