The Prez Sez

After a hectic July, August slowed down a bit and it was so nice to relax. Terry Lewellan planned a wonderful BBQ up at John's cabin in Eagle Meadows and it turned out so well. Some of us met at Eagle Meadows early and were able to go on a ride with our fellow club members. Since Gypsy was still recovering from her crash into the gully at the High Ride, Ron and Dianne S. let me ride their horse, Mojo. Mojo was a great boy and a wonderful ride. I am so thankful. After the

ride, Terry brought out all she had put together for the BBQ. She is so organized, she brought everything, I mean EVERYTHING :0 She had burgers and hot dogs made, buns, potato salad, chip and dip, watermelon, green salad, so much food that I know I've forgotten some. Roy was the master of the BBQ and cooked the burgers to perfection while Janine assisted. More club members arrived for the BBQ and we all got to relax, talk and laugh.

John and Jackie are such great and accommodating hosts. They set up corrals for the extra horses, fed us great food, and stoked the fire inside so we could all get warm. They even brought out some games to play. We watched Lance impressively win an old pinball game within 15 minutes. The game consisted of a steel ball and a table you could move to direct the ball through a maze with holes in it. There were approximately 60 holes that needed to be avoided and the rest of us didn't even get past 20. Then we played Yahtzee and John won without even trying. The rest of us should have cheated more! All in all it was a great weekend in the mountains and we are so blessed to have like minded, horse lovers to share it with.

Drill Team Play Day Wraps up Summer Event Calendar

The patterns came easily this time to the four THH members who attended the Drill Team play day September 12. Nancy and David worked hard to prep the arena, and set up the cones. Dennise, Vicki, Pam, and Colleen rode. The horses were willing and the weather was kind as we launched into a new set of serpentines, obliques and sweeps. Everyone had a great time as usual. Only one more fun drill day scheduled this year, so make the most of it and lets put this great arena to use.
